

the 1990s, the number of people in the world who are illiterate has increased from 500 million to 700 million.

It is not only the illiterate who are at risk of being left behind. The world's population is growing rapidly, and the number of people who are poor is increasing. In 1990, there were 1.2 billion people living on less than \$1 a day. By 2000, there were 1.5 billion, and by 2010, there will be 2 billion.

The world's population is also becoming more diverse. There are now over 200 different languages spoken in the world, and the number of different ethnic groups is increasing. This diversity is a source of strength, but it also presents challenges.

One of the biggest challenges is how to ensure that everyone has access to the benefits of globalization. We need to find ways to help the poor and the illiterate to participate in the global economy. We need to invest in education and training, and we need to create jobs for everyone.

Another challenge is how to ensure that globalization is sustainable. We need to protect the environment, and we need to ensure that the benefits of globalization are shared by all. We need to find ways to reduce poverty and inequality, and we need to create a more just and equitable world.

Globalization is a double-edged sword. It has brought us many benefits, but it has also brought us many challenges. We need to find ways to maximize the benefits of globalization and to minimize the challenges. We need to work together to create a better world for everyone.

Globalization is a process that is changing the way we live and work. It is bringing us closer together, but it is also creating new challenges. We need to be aware of these challenges and to work together to find solutions. We need to ensure that everyone has a chance to succeed in the global economy.

Globalization is a process that is changing the world. It is bringing us closer together, but it is also creating new challenges. We need to be aware of these challenges and to work together to find solutions. We need to ensure that everyone has a chance to succeed in the global economy.

## ***Haydi Yavrum Feridem***

Anneannem o gece rüyasında rahmetli dedemle seviştiğini gördü. Aslında dedemin hiç huyu değildi, ama şimdi yeşil kadife koltuğa oturmuş, arkasına yaslanmış, başını bacaklarının arasından kurtarmaya uğraşan anneanneme “Biraz daha, biraz daha...” diyordu. Anneannem ağzındakini çıkarıp “Çocuklar...” diyebildi. Bir an dış kapının açıldığını, çocukların okuldan döndüğünü sanan dedem kalkıp toparlanacak oldu, ama sonra hemen hatırladı, kapıyı kilitlemişti. Bu kısa süreli şaşkınlık anneannemin kendini kurtarıp ayağa kalkmasına yetti. “Hadi yeter bu kadar,” dedi, “çocuklar gelir birazdan.”

Belli etmiyordu ama şüphelenmişti, bu işte bir iş vardı. Başörtüsünün kenarıyla ağzını silerken düşündü: Niye kudurdu bu böyle? Muhakkak dairede bir şey oldu. Ya kadının biri bir laf etti, bu da hırslandı, gelip bana saldırdı. Ya da önünde yürüyen kıza takıldı gözü, ona elleyemeyince de...

Anneannem dedemi banyoya gönderdi. “Çocuklar gelmeden git yıkan,” dedi, daha namazını da kılmamıştı. Mutfığa geçip ocağı yaktı. Bir an tereddüt etti. O da mı yıkansay-

dı? Önce çocuklar yemek yesin, diye düşündü, tahta kaşığı aldı. Çorbayla birlikte aklı da karışıyordu: Fazla mı huysuzluk ettim? Yatağa giriverseydik, ahverseydi hevesini. Zaten ne zamandır...

Zaten ne zamandır sevişmiyorlardı. Anneannem kızları büyümeye başladığından beri tuhaflaşmıştı. Dedemin canı ara sıra sevişmek istiyor, ama anneannem dedemin yatağın öbür ucundaki kıpırdanışından yaklaşmakta olan tehlikeyi fark edip hemen dua etmeye başlıyor, meşguliyetini belli etmek için de ya duanın kimi yerlerinde sesini yükseltiyor ya da avuçlarıyla yüzünü örtüp arka arkaya “Amiiin, amiiin, amiiin,” diyordu. Dedem, çaresiz, yeniden duvara dönüyor, duvardan yüzüne yayılan soğuşu düşünürken uyuyakalıyordu. Anneannem kendine engel olamıyordu, ne zaman sevişecek olsalar aklına kızları geliyordu. Akılları maşallah her şeye yeten kızların muhakkak bunları da düşündüklerini, anne babalarının nasıl seviştiğini hayal ettiklerini hayal ediyordu. Hele geçen gün, pazardan döndüğünde, salon-da karşılaştığı manzara gözlerinin önünden gitmiyordu. Büyük kızı (annem) kanepeye uzanmış, elindeki yastığı orasına sürtüp duruyordu. Anneannem kızının ne yaptığını anlamazlıktan geldi, bir iki adım geri çekildi, ayaklarını beton zemine gürültüyle vurarak salona girdi, geçip kızının karışısına oturdu. Nefes nefese “Ay vallahi öldüm,” dedi, hiçbir şey görmediğini belli etmek istiyordu, “bütün pazarı doluştım, hiçbir şey kalmamış. Bari haftaya sabahtan gideyim.”

Kızlar gelmiş, sofraya kurulmuştu. Dedem banyodan çıkıp yatak odasına girerken salona doğru bağırdı: “Kesin şu gürültüyü!” Anneannem, teyzem, annem yerdeki sofranın etrafına dizilmiş, dedemin gelmesini bekliyorlardı. Annem çocukken ne kadar da şımarıkmiş! Bir yandan “Hadi artık, çok acıktım,” diye söyleniyor, bir yandan da elindeki kaşığı tabağın kenarına “çınnn, çınnn, çınnn” vuruyordu.
